**Objectives & Details of Event**

Total Number of Participants	160+	<p><b>Objectives:</b>          The objective of this event was to celebrate “International Day for Elimination of violence against women”</p> <p><b>Activity Outcome</b></p>
------------------------------	------	--

With reference to the letter received from AICTE (no. AICTE/Fin/WH/2015-16 dated 03.11.2022); Internal Complaint Committee has organized an awareness session and poster making competition as a part of celebration of “International Day for Elimination of Violence against Women (25.11.2022) ” and “Discrimination against women Pakhwada” (25.11.2022 to 10.12.2022). To mark this day, Mrs Nita Ubale and Mrs Varsha Jagdale—Assistant Police Inspector, Crime branch, Pimpri Chinchwad were invited to guide the students. In their excellent and thought provoking speeches, both have covered following points:

1. Girl students should arise against discrimination and violence against women. They should follow the rule “No means NO”.
2. They have to be very alert and take necessary steps against cyber crimes. Both the APIs shared their experiences and some case studies where such crimes took place without the knowledge of the women. These cases involved boys and girls who get trapped in the honey trap unknowingly and cannot escape the legal proceedings. This may shatter their career and life.
3. They appealed to use the speed dial 112 for any help from police in case they come across some difficult situation. API Mrs Varsha Jagdale cautioned the girls not to misuse this facility.
4. This day was also celebrated with the poster making competition against the theme “Elimination of Violence against Women” which got great participation from students. Students expressed their thoughts through hand made or digital posters. Winners were given the certificates and trophies at the hands of the guests.
5. Students, staff and faculty members put their thoughts on the “wall” with sticky notes.
